666 - MARK OF THE BEAST - VISA

Imagine being identified by the very veins in your hands, or just by the numbers on that credit card you've become so dependent upon. Now step a little further into your imagination and just think about how it would feel to be watched, every single move you make, your personal history, how much money you make, etc., traced and recorded.

Well, you can stop imagining and step back into reality because all of this is happening and more. The intention of this article is to prove to you Nubian (Ptahites Ethiopian Kuwshite, Dark and Light Brown Hue, Wooly- Haired People) that you're living in a world that is being taken over by Haylal (Sama'EL) son of Shakhar (Tarnush) and Mylitta.

Big brother is the name coined for a highly centralized power of control, the government. This is how you're being watched. Devices such as cable T.V., infrared scanning devices (not only in supermarkets), ISBN (International Standard Book Number), computerized banking, credit cards and various other everyday devices are being used.

One World Order exercises its control of governments by way of economics and bureaucracies. The ultimate aim is one computerized financial system and religion, all controlled by him and his worldwide network of monsters.

What proof do we have that the Beast is taking over the earth? Do you have a social security number or a welfare I.D. card with a number on it? Then you are already on the computer's roster, you're in his memory banks. The Beast has literally "got your number."

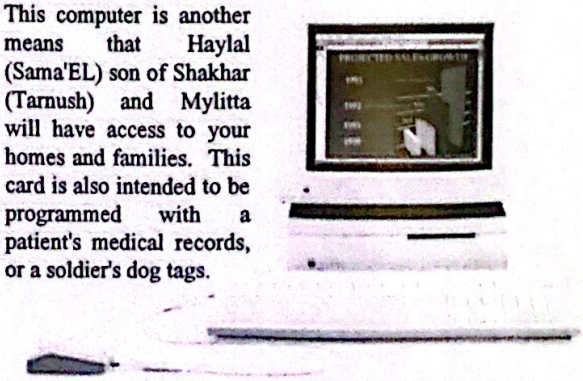
"AND HE CAUSETH ALL, BOTH SMALL AND GREAT, RICH AND POOR, FREE AND BOND, TO RECEIVE A MARK IN THEIR RIGHT HAND, OR IN THEIR FOREHEADS."

A large number of companies are participating in what is called the direct Deposit Program. This is a computerized system of banking where the funds and salaries of each employee are transferred into their accounts by electronic entry. This will eliminate the carrying of cash; in other words, the beginning of the "cashless society". There are some advantages to this system such as the elimination of crimes like robbery, theft, extortions, blackmail and under the table money deals. The use of money will be obsolete. Everything will be done by credit card, or what's called the "smart card". The "smart card" or plastic money can think and talk. It contains a micromemory and a microcomputer with a silicon chip no larger than a dime. Similar to the coded magnetic strip of a normal card, the microchip remembers its accounts, credits and limits. It is able to store computer debits, credits and balances. Inserted into a retailers electronic reader, this card functions as a credit card and is virtually invulnerable to fraud. By being plugged into the customers home computer, and linked to his bank by phone, the card can transfer funds, pay bills and balance a person's checking account. Everyone will have to have a computer.

This computer is another means that Haylal (Sama'EL) son of Shakhar (Tarnush) and Mylitta will have access to your homes and families. This card is also intended to be programmed with a patient's medical records, or a soldier's dog tags.



EVERYONE WILL HAVE TO HAVE A COMPUTER

Scanned with CamScanner

The system is being studied for use in the Food Stamp Program. (Soylent Green, a movie which depicted a futuristic outlook on how the world will be controlled by one source, and their food was being manufactured out of human flesh and distributed to poor people.) The computer is self or auto-programming and is handling all the world's commerce by digital enumeration (counting) of everyone who has the mark. This includes everyone who has prostrated themselves before the "Beast" and received his mark by a laser gun-like device either on his forehead or hand. They already have this laser gun in department stores to check the items you purchase. Eventually this laser gun will be used on the hand or the forehead. This mark will imply complete allegiance to the world dictator and be the only legitimate means of buying and selling.

Another example of the cashless system is the Electronic Fund Transfer (EFT). The Electronic Fund Transfer (EFT) is already practiced in most cities of the United States. EFT allows a consumer to buy and sell without cash, while a computer simply debits and credits the account.

KHAZOWN YOWKHANAN (JOHN), (REVELATION) 13:17

καὶ ἵνα μή τις δύνηται ἀγοράσαι ἢ πωλῆσαι, εἰ μὴ ὁ ἔχων τὸ χάραγμα ἢ τὸ ὄνομα τοῦ θηρίου, ἢ τὸν ἀριθμὸν τοῦ ὀνόματος αὐτοῦ.

*****So That No One Would Be Able To Buy Or Sell Except For Those That Had The Stamp Or The Name Of The Living Beast Or The Number 666 Of His Name.***

Rabboni: Y'shua

Mistranslation For King James 1611 A.D.

"AND THAT NO MAN MIGHT BUY OR SELL, SAVE HE THAT HAD THE MARK, OR THE NAME OF THE BEAST, OR THE NUMBER OF HIS NAME."

The cashless system is designed to remove all money from individuals and eliminate all personal freedom and privacy. Haylal (Sama'EL) wants to control the world and he's not interested in you at all. This new system will not be for poor Nubian (Ptahites) Ethiopian Kuwshite, they won't survive. This is another way that he will annihilate (destroy) you. If you are not economically and financially independent of him you will die; because you'll have no means of support. The new money systems, marks the money for the people and how it incorporates their card number.

BAR CODE

The mark will be a bar code, and the number will be 666. The adjoining of the Bar code and 666 will be an integral part of the 666 system.

Another system that has been designed to work along with the "smart card" is called "vein reading". The system uses the veins in the back of the hand or wrist to certify that the person presenting the card is authorized to use it.

PHONE CARDS

Each time a person uses the card they will place their hand under an infrared scanner to assure the vein in the hand or wrist matches the veins as described mathematically on the card.

VEIN READING

The following, is an article explaining how another of these card systems would work.

"It's not American Express, but soon you may not be able to leave your dorm room without it.

Students across the nation someday may use their student identification cards as campus credit cards to purchase sweat shirts at the book store, hamburgers at the union and concert tickets at the arena.

Duke U., which has steadily been expanding the scope of its identification cards capacities since 1985, but its functions have grown and it now controls access to residence halls, photocopy machines, vending machines, parking lots and some administrative buildings.

The card also maintains its original meal plan account and has added a debit account known as the "Flexible Spending Account," which allows students to purchase goods on credit.

Officials also are working on adding card readers to washers and dryers.

The latest development includes five off-campus merchants near Duke, including Domino's Pizza, participating in the "Flex" system.

At the U. of Pennsylvania, students, faculty and staff already are using their PENNcards for more than visual identification cards.

With a magnetic strip on the back, the PENNcard is a means of access to the university's main database, which tell university staff who is allowed to enter residence and dining halls and other buildings.

The card became more central in student's lives about five years ago when Penn dining services began using the card to monitor entrance into dining halls.

But someday, they may run their identification cards through a reader that will allow them to do their laundry without the hassle of getting change.

They will circumvent long lines at the bursar's office by using their cards to get information on their financial status.

Although officials at most schools stress that a system with such an extensive capability may not be implemented elsewhere for several years, they said the technology for a one-card system already exists.

But as Penn develops plans for the cashless environment", administrators and students are questioning the impact of such technology on personal freedom and privacy.

Planners said they think some students, faculty or staff members may feel uncomfortable with the idea that many of their transactions would be recorded in the university's database. They also believe this uneasiness may grow as the system expands.

There may be a perceived loss of individuality," said Hospitality Services Executive Director Donald Jacobs. "There may be a perceived loss of privacy."

He added that the system is not meant as a means of increasing control of information but of furthering convenience and safety. "Some people view it as a restrictive system," Jacobs said. "I feel it allows you to do much more."

Despite concerns that the card could create a "Big Brother" environment, students and administrators say the system's benefits outweigh its dangers.

Associate Vice President for Finance Frank Claus estimated that a no-frills, extensive one-card system would cost less than $1 million. "It may be a more efficient system by letting us have a more efficient use of resources, "Claus said. "Students could have a network of transaction capability that would be better than a credit card and better than cash."

Eyedentify Inc. marketed another computerized identification system which uses low-intensity light to read the pattern of blood vessels on a person's retina. This method mainly used to control access to high security buildings, monitor the leaving and entering of employees and track inmates in prison.

VISA

When you take the equivalents for the number 6 in the following three languages you arrive at the word VISA.

Roman Numeral	Greek	English
VI	S	A
6	6	6

Now examine VISA again in the ancient Latin alphabet system. The letter, U was represented by the letter V. So if the V is replaced by U, you get U(I) S A, (the United States of America).

In the Greek language the name of the Beast is (θηρίον ,Therion), and when its numerically broken down its letters equals 666.

Who Killed DR. RASHAD KHALIFA?

A BRIEF BIOGRAPHY
of
Dr. Rashad Khalifa, Ph.D.

Dr. Rashad Khalifa (1935-1990) was born in Tanta, Mitsrayim (Eygpt). His childhood was spent in Tanta, Mitsrayim (Eygpt), where he went to a Qur'aanic school known as "Khuttab". Afterwards, he went to primary and secondary schools, and later to college in Cairo. He was an

DR RASHAD KHALIFA, PH.D.

excellent student, ranking first in his graduating class. He later received a sholarship to attend the University of Arizona, and aslo received a doctorate in Biochemistry from the University of California. All this knowledge gave him a strong foundation for becoming an Imaam, which he became in 1970. He was the Imaam over a holy Place (Masjid) called Submitter International, in Tuscon Arizona. He owned his own publishing company called "Islamic Productions", and published pamphlets called "Submitters Perspective." By these pamphlets he reached thousands of people. He was once an Orthodox Sunni Moslem but when he made several declarations which made him dislike by the Orthodox Sunni Moslem, he became known as "mentally sick".

The Question I ask now is, **WHO KILLED DR. RASHAD KHALIFA, PH.D.?**

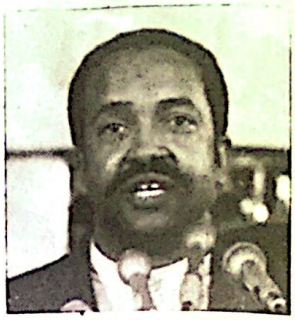
The Orthodox Sunni Moslems, first character assassinated him, then later, murdered Dr. Rashad Khalifa on January 31, 1990.

On January 29, 1990, coincidentally two days before Rashad Khalifa was murdered, a Moslem newspaper called, "The Final Call" quoted Wallace D. Muhammad as saying:

"It is very important that we understand human nature, and know that we're always going to have somebody coming up thinking they got revelation. Somebody's going to think they're a prophet, a messenger of God. If they have the knowledge that's doing this, I think we should kill them. If we find them to be truly knowledgeable and doing this to embarrass Muslims, I think we should kill them; and I'm being straight with you."

The Final Call - January 29, 1990

If you read the book "The Wisdom Of Wallace D. Muhammad", on several of his interviews he proclaims that he is Jesus, the Christ. Wallace D. Muhammad knows enough Ashuric/Syriac (Arabic) to know that the name Jesus In Ashuric/Syriac (Arabic), Isa عيسى, translates to mean: Saviour!



WALLACE D. MUHAMMAD

Below are excerpts from the Wisdom of Wallace D. Muhammad, Supreme Minister of the Nation of Islam.

God:

"I am the manifestation of God"

"Speaking in the language of the New Testament, my father is God. Well, who are you? I am the manifestation of God."

-Page 44

Christ:

Tell them they will not see any other Christ coming this is the Christ, tell them if they don't believe it, come to the head, and find out."

-Page 43

From the above excerpts, it seems to me that Wallace D. Muhammad claims he is the world saviour, the manifestation of God. Wouldn't Wallace D. Muhammad's statement about killing anyone who thinks they're a messenger of God apply to him also, or does it only apply to someone such as, (Rashad Khalifa) who opposes mainstream Islam?

BILAL PHILIPS

Also, Bilal Philips, in a (sermon) Khutbah concerning the number 19 at Masjid-Taqwa, stated while defaming the character of Rashad Khalifa that he should **"be dealt with severely."** In his book, Bilal Philips stated the following.

"Hence it is not sufficient to merely discredit Rashad Khalifa based on his many heretical statements, any one of which is sufficient to remove him from the field of Islam."

The Qur'an's Numerical Miracle Hoax And Hersey, Page 4, Abu Ameenah Bilal Philips, Al Furqan Publications, Riyadh, Saudi Arabia, 1987

These two men (Wallace D. Muhammad, and Bilal Philips) work for the Muslim World League from Saudi Arabia (a country backed up by Britain and the United States) where

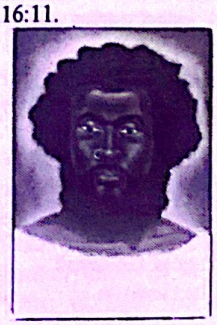
Scanned with CamScanner

the organization "STAB" was established. The Muslim World League used to call themselves the Hashimite tribe, which is where the English word "assassin, or hit man" comes from. The pale Arabs have taken the name Haashimiy هاشمي which derives from the Ashuric/Syriac (Arabic) root word Hashama هشم meaning "to break, crush, especially anything dry or hollow, for instance the head."

They (the Pale Arabs) refer to themselves as the Hashimites in hopes that they are descendants from Haashim (464-510 A.D.), the great grandfather of the Prophet Akhmad (Mohammed) son of Abdullat and Amina. Haashim was the leader of Banu Haashim, a prominent clan of the Quraish, one of the three clans of Quraish that protected the life of the Prophet Akhmad (Mohammed) son of Abdullat and Amina and made great sacrifices in his

HASHIM SON OF ABID MANAAF

defense. They were the Brown Arabs descendants of Qaydar (Kedar), the second son of Yisma'EL (Ishmael), Barashith (Genesis) 25:13, the son of Abraham, Barashith (Genesis) 16:11.



QAYDAR (KEDAR) SON OF YISHMA'EL AND FAATIMA

YISHMA'EL (ISHMAEL) SON OF ABRAHAM AND HAGAR

A term which would better suit the Wahhabi sect of Sunnis would be Hashishi (حشش) meaning "to assassinate", which derives from the root word Hashsha (حش) meaning "to mow, to cut" and the second form of this root word means **"to smoke hashish, an intoxicant".**

Hashish: - a preparation of hemp smoked to induce an esoteric state in order to intoxicate.
According to the Shorter Encyclopedia of Islam by H.A.R. Gibb and J.H. Kramers.

The Hashish was used to prepare the assassin because those who were selected to carry out an important mission were urged to use the drug so that they may be ready to handle any deed. This is what the following excerpt has to say about the Wahhabi sect's mode of propagating their fake religion by Rabitat:

"The rector and instructors of the Medina university thus calumniate the writings of the 'Ulama of Ahl Assunnah and to spread the Wahhabi tenets all over the world with their books. They, in order to convince Muslim and non-Muslim nations that they are true Muslims, follow a new policy; they have founded an Islamic center called Rabitat al-Alam al-Islami in Mecca and gathered the ignorant, bribable men of religious profession they have chosen from every country, to whom they pay salaries of hundreds of golds. These ignorant men of religious posts, have no knowledge about the books of the scholars of Ahl as-Sunna are used like puppets. From this center they disseminate their tenets, which call "fatwas of world Muslim unity", to the whole world."

The Sunni Path, Page 64, 10th Edition, Waqf Ikhlas, Waqf Ikhlas Publications No: 7, Turkey, 1988 A.D.

The Muslim World League of Saudi Arabia implants into the minds of their congregation, - kill those who oppose you (your mainstream Islam), and that is exactly what they did to Dr. Rashad Khalifa. Dr. Rashad Khalifa stated himself, that he brought nothing new to his followers. Everything he received and passed on to the public was already in EL's Qur'aan.

In EL's Qur'aan (the book which you profess you follow) it states:

"The sole duty of the messenger is to deliver the message."

Dr. Rashad Khalifa did deliver a positive message to the world in the same way as Elijah Muhammad and Shaikh Dauwd, etc. He is called a messenger because of the simple fact that his job is to deliver messages.

Appendix 2; Rashad Khalifa's Quran, The Final Testament.

"A messenger of God must present proof that he is God's messenger. Every messenger of God is supported by incontrovertible divine signs proving that he is authorized by the Almighty to deliver his messages. Moses threw down his staff and it turned into a serpent, Jesus healed the leprous and revive the dead by God's leave, Saaleh's sign was the famous camel, Abraham walked out of the fire, and Muhammad's miracle was the Qur'aan (29:50-51)."

According to his interpretation above of a messenger, he considers himself a messenger because he broke down and discovered the mathematical numerical code of the number nineteen by way of the computer. He gathered and built upon the knowledge that I had conveyed to my followers and the public, just like the Baha'i faith did before me on the number 19. He also translated EL's Qur'aan, published books such as [Qur'an: The Final Testament: Quran: Visual Presentation of the Miracle; The Computer Speaks; Quran, Hadith and Islam; etc.] and uprose many questions towards the so-called scholars of the Islamic world.

In The Picture Below, Wallace D. Muhammad Has No Objections Regarding Dr. Rashad's Khalifa Research Of The Number 19 In April 21, 1978 (Bilalian News, Page 9).

Scanned with CamScanner

The so-called Islamic world accepted the miracle of the number 19, but when he told them, they must give up hadith, sunna, and follow EL's Qur'aan alone if they really believe and accept the miracle of the number 19 and EL's Qur'aan, they (the mainstream Islam) rejected him because he no longer complied with their mythology of Islam. He was not bribable, thus he was destroyed.

You (the Orthodox Sunni Moslems) killed Dr. Rashad Khalifa, because he was honest in his beliefs; and didn't hesitate to tell you the truth without being afflicted by your harassments or threats. He had no fear because he believed that when the lives of the righteous, on the earth comes to a predetermined end, they don't die (EL's Qur'aan 89:169, 87:154, 88:24).

APPENDIX 17; RASHAD KHALIFA'S QUR'AN THE FINAL TESTAMENT.

"We learn that death is exactly like sleeping; complete with dreams (6:60, 40:46). The period between death and resurrection passes like one night of sleep."

He knew he was going to die by the hands of the Orthodox Sunni Moslems (2/90, Submitters Perspective, no.62) because of the many threats the mainstream Islam gave him. Even though he does state himself a messenger of God, what gives you (the Orthodox Sunni Moslems) any right to take his life. Doesn't EL Yahuwa say in Dibarim (Deuteronomy) in part 32:35 that "Vengeance is mine..."

When Qayin (Cain) killed Hebel (Abel), EL Yahuwa did not strike him also, instead his punishment was to live his guilt. If Dr. Rashad Khalifa was guilty of stating himself a messenger, the words that he professed would come into light, but you did not give the man a chance to be proven wrong.

"when truth arrives, falsehood must perish."

Dr. Rashad Khalifa was a wise man and an extremely intelligent man. It seems obvious to me that when he told the so-called Muslim to stop following hadith and sunna and follow EL's Qur'aan because it is the best of the hadiths, they (the Orthodox Sunni Moslems) took it upon themselves to assassinate him. All potential black leaderships are a threat to their organization and thus they will use any means possible to their salary or destroy them.

Now, that you (the Orthodox Sunni Moslem) have eliminated another Nubian messenger, (Imam Rashad Khalifa, Ph.D.), against you (Sunni Orthodox Moslems) has succeeded. The followers of Rashad Khalifa changed the name of their congregation from Submitters institute to Renaissance institute. Their information is still as powerful, yet the name of their leader is being mentioned less in their publication, and in due time if they don't realize the ball game, their organization as a whole will be eliminated.

Rebuttal To The Universal Truth

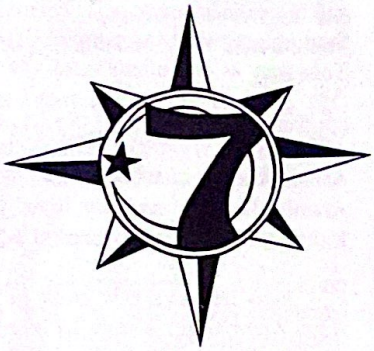
This article questions those who call themselves the 5%. You slandered and questioned the Lamb because of a book entitled "The Book of the 5%". Let me ask you some questions, but first let me make a statement. Overstand this you are not the 5%ers, because real 5%ers are the students enrolled in the real Nation of Islam, founded by a man declared god Allah in the personage of W.F. Muhammad, who's final messenger was the Honorable Elijah Muhammad. The title the 5%ers is found within their lessons. Now these are the questions.

1) Did you write to Chicago and get a "X", no explanation, yes or no. If not, you're not a 5%.

2) Do you wear a suit and bow tie as your daily dress?

3) Are you clean shaven with close cropped hair at all times?

4) Do you wear the 5 - pointed star and crescent in white on a red flag as your national flag?

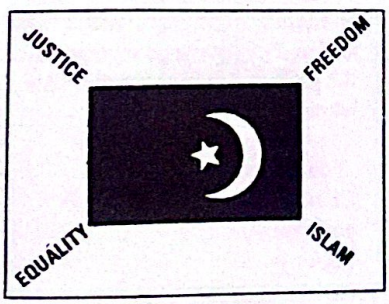


FLAG OF THE 5%

5) Do you live by the dietary laws of the "How to Eat" book series, meaning eating one meal a day?

6) Do you attend Muhammad temple whatever number?

7) Do you sell "Muhammad Speaks" newspaper?



FLAG OF THE NATION OF ISLAM

8) Do you acknowledge the Honorable Elijah Muhammad as the final messenger of Allah, W.F. Muhammad?

And I could go on. If you don't follow what is on the back of the "Muhammad Speaks" newspaper and the book "Message to the Blackman" letter for letter, word for word, dot period and comma.
If you don't, then you are not a real 5%er. If you have declared Clarence 13X as Allah, other than W.F. Muhammad, and the Honorable Elijah Muhammad did not endorse him or appoint him, then you are altering or tampering with what is called

CLARENCE 13X

ALL WISE RIGHT AND EXACT.

You say you respect Malcolm X, well it was Malcolm X who threw your "god" Clarence 13X out of the temple #7A in Harlem in 1964 A.D.

It was Malcolm X who created the Supreme mathematics and alphabets, while a member of the Nation of Islam, that you continue to misuse so frequently; then it was Malcolm X who changed his name for an Orthodox Sunni Moslem name and stopped acknowledging that Allah as a man but, rather a spook "god". He slandered his teacher, the Honorable Elijah Muhammad, just to please the white man, who you call the devil also.

This is what the Honorable Elijah Muhammad had to say about Malcolm X in a reprint from the February 1971 edition of "Muhammad Speaks" found in a resent October 1992 edition.:

> *"Malcolm turned from Allah (God) and me and started to follow them. Malcolm was a double-crosser. He tried to get me with their help, as it is written and prophesied that he would do."*

These same people have published a magazine under the flag used by the 5%ers, called "The Universal Truth". Since these people have the nerve to talk about the "Ansar Allah Community" and our teacher and leader "As Sayyid Issa EL Haady El Mahdi, also known as Rabboni: Y'shua which is the same name only in Aramic (Hebrew), you will have to answer for it and address this, to your beneficiary the curious **"G. White"**, who receives all the money from your publication.

First of all, if you all were **"all wise and knowing scientists"** then you would know the Aramic (Hebrew) letters (אהיה) which is **"Ehyeh"**, written on a book called the

Scanned with CamScanner

"Musa and the All Seeing Eye" by Prince A. Cuba (who is also the editor - director of this same publication), does not mean (الله) Allah and (יהוה) Yahuwa, who they call Yahweh, combined. In fact it isn't a name at all, it is a verb form meaning to be or to exist. Look at the following quote.

SHIMUT OF MOSHEH (MOSES) EXODUS 3:14.

אל-משה TO MOSHEH	אלהים ELOHIM	ויאמר AND SAY
אהיה I EXIST	אשר IN THAT	אהיה I EXIST
לבני FOR THE CHILDREN	כה תאמר LIKE THIS SAY	ויאמר AND SAY (HE)
שלחני SENT ME	אהיה I EXIST	ישראל OF YISRAEL (ISRAEL)
		אלהיכם: UNTO YOU ALL

"AND ELOHIM AW-MAR (SAID) TO MOSHEH (MOSES, DRAWN OUT) HAW-YAW (I EXIST) ASH-ER (IN THAT) HAW-YAW (I EXIST) AND HE AW-MAR (SAID) THIS IS MAW (WHAT) YOU WILL AW-MAR (SAY) TO THE BANE (CHILDREN) OF YIS-RAW-ALE (ISRAEL) HE WHO AW-MAR (SAYS) HAW-YAW (I EXIST) HAS SHAW-LAKH (SENT) ME TO YOU.

*****And The Elohim Said To Moses, I Exist In That Exist And Said This Is What You Are To Say To The Children Of Israel He Who Is He Is Says I Exist And Has Sent Me.***

Right Translation In Aramic (Hebrew) By:

Rabboni: Y'shua

Mistranslation For King James 1611 A.D.

"AND GOD SAID UNTO MOSES, I AM THAT I AM: AND HE SAID, THUS SHALT THOU SAY UNTO THE CHILDREN OF ISRAEL, I AM HATH SENT ME UNTO YOU."

Prince A. Cuba, in his book called **MUSA AND THE ALL SEEING EYE**, claims the word (אהיה) **"Ehyeh"** was taken from an Mitsriy (Egyptian) liturgic formula **"I am That I am" (nuk pu nuk)**. So you either made a mistake or you feel you have the right to make up your own name for EL Yahuwa, just because you claim to be **"the supreme wise all knowing scientists?"** He teaches also that all Hebrews are white on page 45, "hebrews are white in the main, an Indo-Aryan (European) people." and Israelites are Hyksos" (page 28). He uses "might" on page 30 and "I perhaps" on page 31 then claims to be right and exact. Stop playing with my people! Then on page 34 you say the Kena'aniy (Canaanites) used (אל) "aleph and lamed" not (על) aiyn and lamed" and your wrong again. They used (על) You mixed up the letters (ح) hay and (خ) khay in Ashuric/Syriac (Arabic) with (ח) khay and (ה) hay in Aramic (Hebrew) and say "Eve" (חוה) Khawwah is (הוה) Hawwah in Barashith (Genesis) 3:20 and it's not.

Now he has a new book in which they bite off of our *Right Knowledge* doctrine by using terminology that only we use like the word Right Knowledge. Nobody ever wanted to be with us before, but now that we have Right Knowledge and it's working, everyone wants to act like they're with us. But it's not going to work. Your Master W. D. Muhammad or Master W. D. Fard was a white man and if you say he's half and half, than he is more white than Nubian. Just look at the picture on the following page! I am not having any more white masters!

You use my teachings and Honorable Elijah's teachings and Clarence 13X's teachings, yet you're with none of us. Most of your references in the back of your books are from the devil's books or sources, so you believe everything they print and say!

You are obviously some fake organization, and feel you can make a fast buck if you use the picture of Malcolm X on the cover of your magazine since the movie is out! You and your doctrine can't stand alone. You'll have to use outside sources for your validity.

Now YOU should know the **"X" in Roman numerals is equal to 10** or "10%" not "5%". If you consider the "Ansars" 10% then shouldn't the "X" be used for the 10% and the "V" for the 5%? So why are you still using X?

Another point, the "X" was a symbol of our ignorance. We couldn't read, we couldn't write, we didn't

Scanned with CamScanner

know who we were or where we came from. That's in the past why would you still use a symbol that also means the unknown factor? We know who we are, Nubian (Ptahite, Ethiopians, Kuwshites Dark and Light Brown Hue, Wooly-Haired People). We know where we came from, Nubia and we know our language, Nubic. The "slave master" had you write "X" when you didn't know how to read and write. Stop playing games and wake up!

If you follow the teachings of the Messenger Elijah Muhammad, remember he never appointed Clarence 13X, and ordered your "god" out of the temple #7A in Harlem. So you don't follow the Messenger Elijah Muhammad. You have the books of the Messenger Elijah Muhammad advertised inside, yet you don't have a picture of Master Farrad why? If you follow Elijah Muhammad you don't pick and choose what you want to follow.

You're just an ex-hip hop thing trying to capitalize off of the ignorance of the 5%. You have the nerve to say make checks payable to G. White. Who is G. White? According to your knowledge and wisdom G is "GOD" and white speaks for itself. So do you follow the "White God" now?

So if you do have a new leader why are you selling the book of the Messenger Elijah Muhammad? Could it be to make a profit of the members of the Nation of Islam or its followers or sympathizers?

What the authors of this magazine are is a splinter group trying to make a fast buck. You aren't really concerned with the upliftment of Nubians (Ptahite Ethiopian Kuwshite) people. You don't follow Clarence 13X, you don't follow W.D. Muhammad. Now who do you follow, your own egos?

PICTURE OF W.F. MUHAMMAD IN THE HOUSE OF ELIJAH MUHAMMAD

According to the doctrine of the 5% they are Allah, and Allah doesn't make mistakes, so why would the 5% openly admit that fact, as written in your publication, Universal Truth? They wouldn't. Also, you are wise all knowing scientist so why would you make a mistake like that.

Inside their publication there is a article talking about the supposed 10% who are suppose to be the Ansars of Bushwick and a connection with the government is implied. Let me set you straight! You don't have to be apart of the government (of which The Lamb is not) to see through your shallow words. Your calamities are nothing compared to what the Lamb has been through. Rabboni: Y'shua, has worked for over 20 years for the upliftment of Nubians (Ptahites Ethiopian Kuwshites) people, physically and mentally. We have something to show for it! The people of the Nubian Nation are no longer in an identity crisis. Every person of hue realizes he is Nubian (Ptahite Ethiopian Kuwshite). No matter what organization he or she belongs, they are a part of the Nubian Nation. A word no one was aware of until Rabboni: Y'shua, brought it before your eyes!

Yes you are "gods" as Nubian are, however, you are so egotistical you remain blind to the truth. You are "god" because EL's scripture say so! Where is the proof of your knowledge? Your meaning behind your statements of being "gods" are gibberish. Who is your guide? How do you know, (not believe or think). How do you know everything your saying is right and exact? We are "gods" ELohim. There is no 5%, 10% or 85%. There is (טוב) tobe (agreeable) and (רע) rah (disagreeagble). Not good, not bad. These are natures in Human Beings. Do you overstand the message? "Do the knowledge" if you can! Right Knowledge will lift the spell that you are under, if you will stop ignoring the facts that the spell was cast 4,004 years before Jesus of 2,000 years. Did you "wise all knowing scientist" know that? Now if you were wise as you think you are, you would be able to build your nation on your own without the help of the Kena'aniy (Canaanite). The 5% have received the help of a mayor to occupy a building and school and still have nothing to show for it. Don't you realize the only reason for that aid was to keep a tab on a Nubian (Ptahite Ethiopian Kuwshite) organization and to prevent the unification of us as a people? No mayor has stood by the Lamb's intelligence and guidence. Do you really think we have spies in YOUR organization? Please don't flatter yourselves. You don't know enough for the Lamb to waste the time on, except to bother to correct you, so that you don't poison anymore minds of the youth with your garbage! You're so dense to actually think the Kena'aniy (Canaanites) would use a Nubian Kuwshite (Ptahite) leader as a spy and then let him be successful to the extent of the Lamb's? Don't be fooled! You know who the "paleman" is as well as I do, or, do you?

How could anyone cause confusion where there is solid proof and solid facts to back everything up?

Scanned with CamScanner

Here is my question to you? You claim there was a meeting in a school about " The Book the 5%" who else was at this meeting and who was the common enemy? The only other people a book has been written about are the Orthodox Sunni Moslems, so are you saying you are allies against our teacher because the Lamb won't allow you to put a needle to the heads of his people and his children? Because the Lamb Rabboni: Y'shua, won't allow you to plague the minds of our youth with garbage? Then so be it. No one has to cause confusion, you do that well enough all on your own. The Lamb will not allow another generation of kids to be lost to the Spell of Leviathan. Why are these two opposing groups mentioned in the same sentence as published in "The Universal Truth" on page 5? You are fakes and liars. Since when have the Orthodox Sunni Moslem and the 5% nation taken the same sides. The 5% nation doesn't have money unless you are allies with the Orthodox Sunni Moslem, which would mean you sold out and can be no help to the Nubian Nation. These so called 5%ers have the nerve to claim the Lamb has confused their followers to the point where the followers are so confused they are incorporating the new doctrine they heard into their own teachings. How, unless they accepted the new doctrine they've heard? Not only that they are teaching it to others. Just tell the truth. The new doctrine you hear is the truth and you don't want to admit it! You would rather leave the followers in the dark out of your own selfishness, which proves again you are a fraud, you steal the doctrine as your own, and teach it as your own, like every one else has for years.

The motive for writing the 5% book was to awaken the minds of the people hoping you would come home to your own. The Lamb, also known as Malachi - Zodok, is not trying to destroy your little organization" however, he will Teach the Truth though it may be bitter to others. The Lamb teaches facts so you will be able to see the truth for yourself and once you have that ability you will know truth where ever you see it, and no one can take that away from you! As The Lamb always says **"DON'T BELIEVE ME LOOK IT UP FOR YOURSELF".**

We are in a new age, where it is not about belief or faith we need facts, "Right Knowledge". The Lamb's not leaving any loop holes so that our people, Nubians (Ptahites Ethiopian Kuwshite) can fall through, by the whispering Nakhash ı, who tricked Nekaybaw (Eve) in the garden. She didn't KNOW, the nature of the evil whispering one, Haylal (Sama'EL) son of Shakhar (Tarnush) and Mylitta; and to know is the key to knowledge. On account of Nekaybaw's (Eve) lack of knowledge she was deceived. Malachi-Zodok will not allow that to happen to those who take heed to the warning.

WE ARE THE NUBIAN NATION

The word Nubian (Ptahite Ethiopian Kuwshite) means Black. Before we referred to ourselves as Blacks, and now we're saying that we are Nubians (Ptahite Ethiopian Kuwshite). Nubian Americans are called Nubians not only because of your brown skin, but because you are from the Eastern Coast part of Kham (another name for Africa), which is called Saw-deh (the Outer Field where the name Sudan comes from), (Shimut (Exodus 1:14). The land called "Nubia" was named after Nuballa, who is the second wife of Kuwsh son of Kham (Barashith (Genesis) 10:6-7). The Ashuric/Syriac (Arabic) word ""Nuwb" (نوب), according to the Lane Arabic lexicon means "of color inclining to Blacks or as likened to a nation of Negroids called "Nuwba"; the plural of which is the Nubians(النوبيين). Nubia was known as being plentiful in gold, ivory, ebony, and other natural resources, which attracted many people to the land. Nubia is where the Nubian (Ptahite Ethiopian Kuwshite) statues of our great Nubian ancestors, the Mitsriy (Egyptians) were constructed. The statues depicted the "Deities" who descended upon the earth and built the pyramids. In ancient times Nubia was know as "Havilah".

"THE NAME OF THE FIRST IS PISHON: THAT IS IT WHICH COMPASSETH THE WHOLE LAND OF HAVILAH, WHERE THERE IS GOLD;"

The Aramic (Hebrew) word for Nubian is Am (אם) nature of people or (Goo-ee), which is Gentle Nation. The word Nation identifies a persons national origin. When you say United Nations, you are saying a bunch of nationalities that have become united for a common goal.

The Statues Of Our Great Nubian Ancestors

But let's stop at this point. Is this true? No! The nationality of the people in Trinidad varies based on which countries they migrate from, and regardless on how long they lived or stayed in Trinidad. The indigenous people of that land before it was called "Land of Trinity", were Carib and Arawak. They were original Native Americans descended from the Incas and the Aztecs. The Nubian (Ptahite Ethiopian Kuwshite) that are there in bondage were brought there in the 1400's, as slaves from their homeland Kham (Ham) (Africa), which makes them Khamites (Hamites) by race. Remember the only one of Kham's sons had the curse or albinism-leprosy, which was Kena'an (Canaan). The rest of his sons moved into the lands of Egypt, Sudan, Nubia, and Libya. Living in a land called Nubia makes them Nubian (Ptahite Ethiopian Kuwshite) by nationality. If we come to America we find the so called American Negroes, in most cases are descendants from the slave trade of the 1600's, coming out of Nubia through Zanzibar and on into the West,

which makes their nationality Nubians (Ptahite Ethiopian Kuwshite), and their race Kuwshite. The quote below proves to you that there were slaves back then.

BARASHITH OF MOSHEH (MOSES) GENESIS 15:14

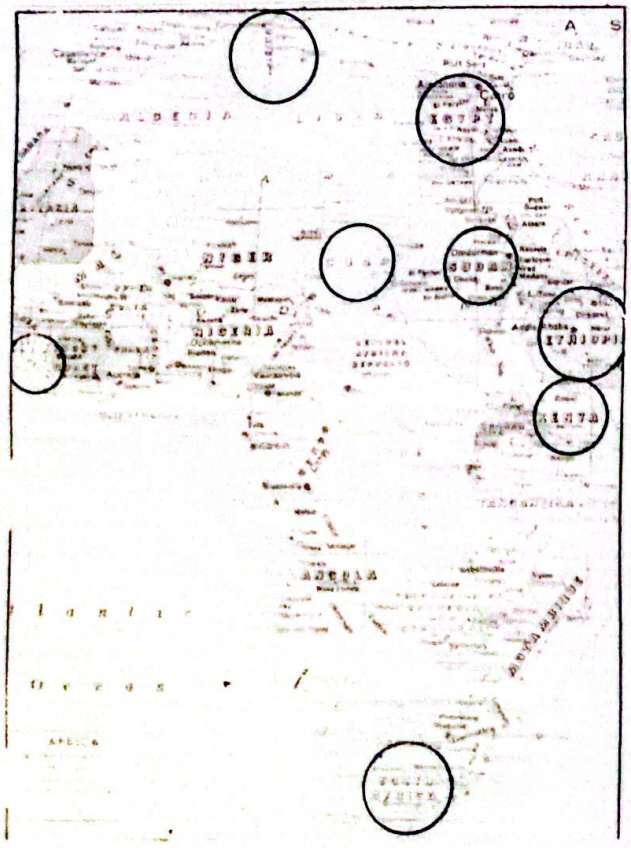
"AND ALSO THAT NATION, WHOM THEY SHALL SERVE, WILL I JUDGE: AND AFTERWARD SHALL THEY COME OUT WITH GREAT SUBSTANCE."



THE NUBIAN HOMELANDS

If you look up the word Kuwshite in the original language (Cuneiform), it describes the skin color of those people (Blacks), so regardless of where on the planet Earth they have been taken or migrated, they are still Nubians (Ptahite Ethiopian Kuwshite). Being the sons of Noakh (Noah), even the Kena'aniy (Canaanites) is a Khamite (Hamite), but not a Kuwshite or Shemite (Semitic). If we call ourselves the Nation of Islam, because we converted to the Islamic faith and we have our own interpretations of it, which tags on to ourselves the tribal names Shabazz, it doesn't alleviate the fact that we are the original Asiatics who resided in the enclosed garden [Gan], which extended from the White and Blue Nile in Sudan. Sudan is another word which gets it's root from the word Aswad, which gave birth to the word Aswaan. Aswaan is in Nubia all the way to the Tigris-Euphrates, which was in the Persian Gulf from as high up as Alexandria of Mitsrayim (Egypt), and as far down as South Africa, the first land Kuwsh, where the gold is said to be the best on the planet Earth, it says in Barashith (Genesis):

BARASHITH OF MOSHEH (MOSES) GENESIS 2:12

וְזֹהַב הָאָרֶץ הַהִוא טוֹב שָׁם הַבְּדֹלַח וְאֶבֶן הַשֹּׁהַם׃

THE NUBIAN NATION OF TODAY UNITES OCCASIONALLY TO VISIT OUR FIRST PHARAOH IN THE WEST "THE LAMB" "ISN'T THIS BEAUTIFUL"

This (Nubia) was the best part of the planet Earth before the evil one set out to render, desolate, and waste it. The Nubian (Ptahite Ethiopian Kuwshites) homelands were Tunisia, Liberia, Egypt, Sudan Somalia, Chad, Ethiopia, Djibouti, and South Africa. We the original inhabiters of that part of the planet Earth were known as Kuwshites or Semitic or simply Nubians (Ptahite Ethiopian Kuwshite). So today if you are an Israelite Hebrew, or Hebrew Israelite, if you call your self a Black Jew, a Five Percenter, a Black Nationalist, a Revolutionist, a Negro, an Orthodox Sunni or Shi'ite or Ahmaddiyah or Bahi Moslem or African Islamic Mission or Christian of any denomination, you are of the Nubian Nation. That is your origin, and your original native land, the meaning of which describes again your skin color and hair texture. So you should be proud to say **"I AM A NUBIAN", AND "A MEMBER OF THE NUBIAN NATION" - AND WEAR YOUR HAIR NATURAL!**

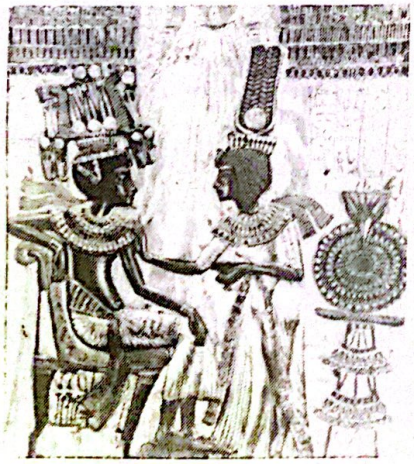
Natural Beauty

Your natural beauty is what EL Yahuwa, the Creator gave you as a gift. Beauty is in the eyes of the beholder, and to each his own. Yet, Haylal (Sama'EL) son of Shakhar (Tarnush) and Mylitta, has set a certain standard for beauty, which is of them. If you don't fit into their category of beauty, then you're considered ugly. This is why so many of us Nubians (Ptahite Ethiopian Kuwshite) put on too much make-up and perm or relax our kingly Crown (hair). We put on fake nails, eyelashes, and even alter our faces to make ourselves over in the image of the beast in sack cloth. (Refer to Yonah [Jonah] 3:7-9).

We have natural beauty so the only reason we need to wear makeup is to enhance our beauty as our ancestors (Mitsriy [Egyptians]). The evil children have brought our self-esteem so low that we believe (be-lie-Eve) that it is a necessity to wear make-up everyday. Our different hues are what the Creator EL Yahuwa gave us to make us beautiful. It is the Kena'aniy (Canaanites) who need make-up to bring out an illusion that he has color, he has make-up for what he did not get, color and curls. He also needs eye liner, so he won't look Gothic (real pale and dead like), so he can look like us the Nubian (Ptahite Ethiopian Kuwshite, Dark brown hue, wooly-haired people). Don't be under the assumption that he hates the way you look. You've been blind folded to thinking that his image is the proper image, yet his father, Kena'an (Canaan) is a product of the curse (Barashith [Genesis] 9:25).

As with everything else, he stole the art of wearing cosmetics and preserving beauty from our ancestors, the Mitsriy (Egyptians). The Mitsriy (Egyptians) wore makeup to enhance and preserve their feminine beauty. Before Queen Nefertiti married Ankhenaton, she was his makeup artist.



QUEEN NEFERTITI, A WIFE AND PERSONAL ATTENDANT OF ANKHENATON.

The Mitsriy (Egyptians) were well known for their knowledge in the refined art of Cosmetics. By using natural elements from the earth, they were able to make natural cosmetics. Now, there are many cosmetics on the market manufactured by a paleman (Kena'an [Canaanites]) for their face, hair, and body such as (Vidal Sasson, Clarol, Revlon, Nexus, Paul Mitchell, etc., which Nubian (Ptahite Ethiopian Kuwshite) people use. However, since our body chemistry, and hair texture (9 ether - 7 ether) is different from theirs, we shouldn't use their products. Look for our new line called **"ANKH, NUBIAN PRODUCTS."**

I can thoroughly go into the different hazardous chemicals found in many popular cosmetics used, which have been carcinogenic (cancerous) to laboratory animals and humans. This reason is why I recommend you to use natural products.

Henna (a natural dye) comes in a variety of colors too, ranging from red to black, to darken or to highlight the hair. Henna comes from the leaves of a shrub called *Lawsonia alba* also known as *Egyptian privet* and *Jamaica Mignonette*. Mitsriy (Egyptian) women prized the fragrant blossoms of this shrub. It is not only used as a dye, but as a medical substance also. It gives the hair a semipermanent protein coating, protecting it from sun damage and air pollution. It washes out gradually over a six-month period. For best results, be sure to use 100% pure henna without metallic bases.

Instead of using chemical hair dyes which strips your hair of its natural oils and minerals and has a lye base, use Henna as a natural hair dye. The FDA has no power over mutagenic (any agent that causes genetic mutations) hair dyes which easily penetrates the scalp and enter the bloodstream.

It is every woman's desire for a beautiful complexion. Beauty is only skin deep, so have beautiful skin. As a mark of beauty, good skin ranks next to personal cleanliness. There are five types of skin (dry, oily, normal to dry, sensitive, and combination skin). Vitamins are essential needs for your skin in order to maintain its natural beauty, moisture and softness. Vitamins are obtained from food sources. The food is converted into vitamins throughout the body.

The skin is self renewing. Every time you cleanse your skin, dead skin flakes off. Don't lubricate your skin or you will clog your pores which leads to black heads, acne, etc. before bathing or showering. Afterwards, put baby oil into your bath water so it can go into your pores and lubricate your body. Don't use olive oil. It's too heavy and it will clog your pores. Also, natural aloe vera from the plant is good if taken internally and is excellent for medical purposes.

Your eyes are very sensitive, so if you put foreign objects in them, such as dyed eyeliners, it will become irritated. Instead of using eyeliners which are tested on laboratory animals, you can use a natural eye-makeup and a very good eye cleanser called Kohl, used for centuries by the Mitsriy (Egyptians) and people of many different cultures world wide.

MITSRIY (EGYPTIANS) WEARING KOHL

Kohl (burnt frankincense), a natural element, comes in a powdered form and in different colors (brown, black, green, blue, purple, etc.). When applying it on with an applicator, start at the inner corner of the eyelids and work outward. Darken to meet your taste. It can also be used to color the eyebrows, eyelashes, and to give the lips a more natural appearance.

Make sure before you use natural products that you are not allergic to them. Be careful of the health stores, because majority of them are owned by pale people. If you go for extreme health, for example, a vegetarian, you are going against the forces of nature, because your body maintain its pH balance. It is also contradictory to call yourself a vegetarian and Every time you choose a meal, it has to be some sort of meat substitute like, Tofu, TVP, Soya, etc. That means your body requires meat as a supplement.

Now, nature is not at its best state, so if you became a health fanatic (one negative nature, and one positive - your body), nature will feed off of your body because it, itself is being destroyed. You have to eat and live to adapt to your environment or else you will become sick and eventually die.

The evil one has set out ever since the Spell of Leviathan was cast, 4004 before 2,000 years ago and the birth of Yashu'a, (the birth of his (Adam), Kena'an [Canaan]), to destroy us Nubians [Ptahite Ethiopian Kuwshites] in every form and fashion. Because of the fact that he acknowledges that we are the original people (Nubian (Ptahites Ethiopian Kuwshite), he wants us to be extinct, a thing of the past. Don't allow him to "white" wash (wipe) us out of existence. We are the original people (the Watusi, and Pygmy) the ELohim. It was Imhotep, (a Nubian Ptahite Ethiopian Kuwshite) who made the formula to clean up their (the pale man's) filth, and Abraham (another Nubian Ptahite Ethiopian Kuwshite) who civilized them because they are beast-like (in Aramic [Hebrew]) Behamah בהמה Yonah (Jonah 3:8; Shimut [Exodus] 19:13). Don't stoop yourself to be lower than him or to try to look like him because we are the Kings and Queens of the planet Earth. Be yourself, let your natural beauty shine through and don't take his interpretation of beauty and staple it to you. Lift the Spell of Leviathan off of you and be yourself again, as ELohim (Angelic Beings).

Like a typical Nubian, you probably will not believe what I have to say unless the words comes from his mouth (the pale man), so my favorite saying now is **"DON'T BELIEVE ME, LOOK IT UP FOR YOURSELF".**

"HERE IS WISDOM. LET HIM THAT HATH UNDERSTANDING COUNT THE NUMBER OF THE BEAST: FOR IT IS THE NUMBER OF A MAN; AND HIS NUMBER IS SIX HUNDRED THREESCORE AND SIX."

What links the Nubian (Ptahite Ethiopian Kuwshite) to the 666 number is the Spell of Leviathan (Beast) that was cast upon your ancestors and passed down to you. The first spell was cast 4004 years ago in the garden by the sex god Leviathan. This spell made you forget who and what you were. (For more info. read Right Knowledge, Scroll #28) The spell of the dollar bill was cast after slavery times. Haylal (Sama'EL) once again tricked you, by having you worship this worthless piece of paper, and you actually believed (be-lie-eve) it would set you free. On the contrary, my people (Nubian Ptahites Ethiopian Kuwshite), the spell was deepened.

MUSIC & DANCE

Throughout our (Nubian people's) history one of the main things we were known for was music. We had traditional music and dances, such as tribal dances, ceremonial dances, traditional or wedding dances, and dances to celebrate the coming of the seasons (spring, fall, winter, summer). In all our music the foundation was the drum because the drum goes with your heart beat and it fits right in with emotions. The drum transformed from African music, to Gospel, to Blues, to Jazz, to R & B and then to Rock and Roll. Then Haylal (Sama'EL) son Shakhar (Tarnush) and Mylitta set out to destroy the music by removing the drum out of the music and replacing them with synthetic sounds. Today a drum beat is made by an explosion going off simultaneously with a gun shot. He also made us lose our souls by removing the rhythm dance. Now we're up against a generation of kids that listen to non-music and call it music. They do non-dancing and call it dancing. They did break dancing, a dangerous dance that the Emoriy introduced which consisted of spinning on your head, which causes brain damage. This was just their intention, for you to damage your brain. The Emoriy (Amorite) also had the young kids spinning on their Cervical spine, this type of dancing causes the spine to curve, and stop the flow of energy from reaching the Medulla Oblongata (the lower part of the brain that controls your bodily functions).

Today they do vogue (robotic motions), dances that make them look like monkeys like the group called Kris-Cross with their clothes on backwards jumping up and down. Their movements have nothing to do with rhythm or coordination. R & B rap music is not real music, it is edits and splits of music combined to make music. However, resulting in off beat, non rhythm, non-music called music.

That's why it's so easy for Emoriy (Amorites) like Vanilla Ice to fit right in on a so-called black music but the music is actually on a white beat, which is off beat. At the base of every ethnic group (Orientals, Latinos, Nubians), you'll find a drum, except for the Europeans music (Classical music). Religious people, who did not have a route, in music, created such groups like the Sunni Moslems who tell Nubian people in their religion that it is haraam (forbidden) to dance, when multiple hadiths (words of men) speak about music.

VANILLA ICE

Hadith 17: "Aisha said, she conducted the bride to a man from among the Ansaar, and the Prophet of Allah said "O Aisha why had you no music with you, for the Ansaar love music". If they went to Saudi Arabia they'd find that King Fahd himself dances at every ceremony, but they (the Sunni Moslems) make American negroes or western Nubian think that it is wrong for a Muslim to listen to music or play music saying that it invokes the evil one (devil). We have to reinstitute music in our cultures dance, such as dance to represent weddings, birth of new born children, dances about our leaders, about the Nubians, dances about our plight in bondage in the new Babylon or Americas and in the Caribbean, and dances to celebrate our mental liberation. No where in the Scriptures did it forbid you to dance. you will find in the bible that Dawiyd (David) sung and danced and spun in the air.

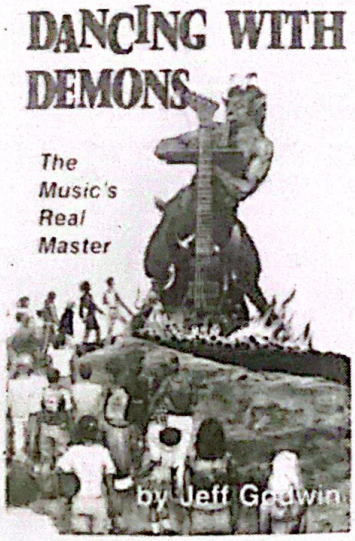
"SO DAVID AND ALL THE HOUSE OF ISRAEL BROUGHT UP THE ARK OF THE LORD WITH SHOUTING, AND WITH THE SOUND OF THE TRUMPET."

You will find that Tehillim (Psalms) which means melody, is all songs. EL'S Qur'aan is chanted, that's music, the adhan (the call to worship) is chanted, that's music. The Cantors (a singer who lead the choir), during the Bar Mitzwah of little Jewish boys, that's music. Everything that comes after the Bible seems to be musically incline. Then somewhere between us (Nubian people), as the ancient Yisrealiy (Israelites), and the original Arabs and Christians. The Emoriy (Amorite) washed our minds of music and replaced it with a built complex for expressing ourselves the way we knew how. We need to pick up the African drums against. We invented the guitar and the violin, and the Emoriy (Amorites) invented the high pitched instrument like the flute and the high pitched guitar. The high pitched, loud music that you hear has an effect on the sympathetic nerves and it destroys your brain tissue. These are the instruments (flute, harp, and the high pitched guitar) that identifies with Jubal.



Jubal is the 2nd son of Lemek (Lamech), was the ancestor of those who play the harp and the pipe (Barashith [Gen.] 4:21). He's the demon responsible for people getting possessed by Pan, the ancient Greek half-man and half-goat deity which ties back to the goat (Goat, Azazel, Wayikra [Lev.] 16:6).

PAN

This ties into the Scape-goat of the sacrifice of ancient Yisra'EL (Israel), that goes back to Haylal (Sama'EL) son Shakhar (Tarnush) and Mylitta. Pan is the demon over the music, he is the one responsible for Nubians today getting possessed by music.

In the movie Angel Heart, you see whenever somebody died you saw the fan which represents a mouth: the mouth of the vocalist singers. So the fan that you see is Pan the evil one (Devil), because he ties in with the mark of the beast 666. They (the Amorite) control the music and the promotions and, the distribution. They control the way Nubians look and the way they think. The music industry has a particular look and style for males and females. For males like "Prince" and "Michael Jackson".

"PRINCE" ROGER NELSON

MICHAEL JACKSON

They turn the men into homosexuals and female vocalist, they turn into freaks in order for them to maintain an economic status. With the music field, it's recognized that most artist that have achieved success in the music industry, are crossover stars like Diana Ross, Quincy Jones, etc. They are perfect examples of Nubians that crossover. We have to go out and regain our culture back. Music and dance was once apart of our life until the Emoriy (Amorite) stepped, in and destroyed us as a Nation, by putting out music that has no rhythm, no real Nubian beats, and called it music. We fell, into the evil ones trap by allowing this music in, letting it seep into our souls and destroying us from the inside out.

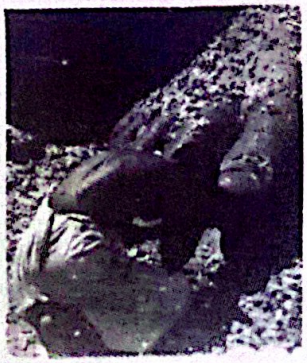
IDOL/IDLE WORSHIP

When you worship nothing even when you give it a name like "um" or some other spiritual force not seen, heard, tasted, smelt or felt, regardless of what you feel you're doing in your worship, it is IDLE worship. This is also what is known as spookism. When you can't see or touch something how do you know if it is there? You lost your Right Knowledge after you were cast out of the enclosed Garden called Gan; and since then you've been in wrong knowledge.

Representation of Baal

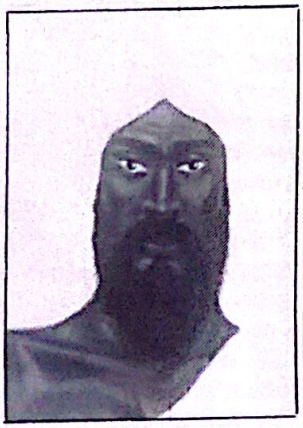
In other words you are out of your mind, and when you worship something you can't hear or smell you are IDLE in your worship. When you use in EL's Torah, New Testament or EL's Qur'aan the word "Lord", or Rab, you should know that the word "Lord" is from the Babylonian word "Lard" and describes their deity Baal, who was originally a statue of Khanowk (Enoch), and they referred to as, Lard Baal or Lord God. There are statues of Baal showing him as a physical being in the human male form. Worshipping this statue would be IDOL worship. Your favorite actor, singer, boxer, relative, boyfriend, girlfriend or friend, that has the power to control your religious emotions, is also a form of IDLE worship. To be called a Sufi or a Mystic who sits around dhikring or chanting toward nothingness is IDLE worship and to engrave the name of an unseen (feel, taste or heard) deity on a amulet or pendant and wear it around your neck transforms IDLE into IDOL worship. So you see there are two types of worship, IDOL worship and IDLE worship.

A BUDDHA MONK IN MEDITATION (IDLE WORSHIP)

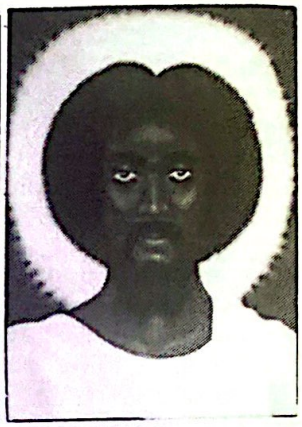


A PILGRIM WORSHIPING A STATUE (IDOL WORSHIP)

You will find in any definitionary (dictionary) that Adon (Phoenician) word for lord/master), to adore (to worship with divine honors, like with divine honors, like very much) and Adonai (Aramic [Hebrew] word for master) are all derivatives of the same thing. Adonai merely means master, and is used throughout EL's Torah in reference to mortal men such as; Abraham, Yashu'a (Jesus of 2000 years ago), Eliysha' (Elisha), the Egyptian Fowtiyphar (Potiphar), Ashpenaz (master of Nebukadnetstsar [Nebuchadnezzar's] eunuches), Shauwl (Saul) and many others. Look for yourself in the Scriptures.



ABRAHAM



YASHU'A

However, the Babylonians of today, who call themselves Jews, and Theologians try to make you think that Adonai אדני (master) is an alternative word of אל EL, The Most High. To say that when you say Adonai you are calling on EL Yahuwa, The Creator only is not true. As I said Adonai merely means my master and is used to address mortal men or EL Yahuwa.

It is also clear to any listener, that the word Rab רב used in EL'S Qur'aan is a derivative of the word Rabbi רבי used for mortal teacher and masters in Hebraic teachings. They try to have you believe these two languages are different, but they are one and the same.

Aramic (Hebrew) **Ashuric/Syriac(Arabic)**

Rab רב Rab رب

They both have the same meaning. Thus, you get Rabbi in Aramic (Hebrew).

Let me make it clear to everyone that the ancient Aramic (Hebrew) word ELohim אלהים by the last two letters, is merely a derivative of ELoh אלה a derivative from EL, and if it is a derivative then it can't be the one deity (god), because the one deity has to be the root of all the derivatives, not a part of the root. Now EL can be part of the ELohim which is the plural of EL, the Angelic Beings and because some of him is in the Angelic Being, He of course is a part of the ELohim; which means they are also referred to the "We" or "Us'. However, in the Scriptures, the "Us" or "We" is often times speaking about EL Yahuwa and Malachi Zodok (Melchisedek).

Malachi Zodok (Melchisedek) is the highest of all the ELohim (Angelic Host). Other times the "We" would not be referring to EL Yahuwa; by itself it is referring to EL and ELohim (Angelic Host), or EL Yahuwa and someone else.

"IN THE BEGINNING WAS THE WORD, AND THE WORD WAS WITH GOD, AND THE WORD WAS GOD."

In ancient Aramic (Hebrew), the word for the name of EL Eloh (The Source) was "Elah", "ELoh", or "EL" in the original Ashuric/Syriac (Arabic). The plural form was ELohim אלהים pronounced ELoh-heem: is equivalent in meaning to the Ashuric/Syriac (Arabic) word Allahumma اللهم (Angelic Host), the single, being Allah. As previously mentioned ELohim and Allahumma signify the "Us" and the "We" that are mentioned throughout the Scriptures.

The purpose of me explaining these two words is so that you can better overstand that the word ELohim could not be referring to one entity as these translators claim or would like you to be-lie-Eve. For we are indeed ELohim, **The Children Of The Most High Or The Source Of All**; making the EL our father, and "We" the ELohim, his sons and daughters. Thus, we refer to ourselves as **"The Children Or The Chosen Of EL."** *(refer to Scroll #33 "HIS Holy Name").*

Just as ELohim אלהים in Aramic (Hebrew) is the "We" in EL's Torah, Allahumma اللهم in Ashuric/Syriac (Arabic) of EL's Qur'aan is an ancient derivative of Aramic (Hebrew) which modern grammar scholars of EL's Qur'aan have altered intentionally to misguide..

אל **EL** **AL** ال

The Most High

אלה **ELOH** **ALLAH** الله

Means worship, adore

אלהים **ELohim** **Allahumma** اللهم

The plural of EL (Angelic Host).

An important point I would like to make is, sun letters are a distortion to hide **"The Source, EL"**, from which everything originates. Modern Ashuric/Syriac (Arabic) was spoken in Arabia 10 years before Akhmad's (Mohammed's) birth. If you replace EL with Ur you're not only distorting the language but, changing the meaning of EL Yahuwa's attributes. This is a trick of Haylal (Sama'EL) son of Shakar (Tarnush) and Mylitta. So instead of us saying Ar Rahman, (the **ar** or **ur** means fire) we say EL Rahman. We no longer use the Sun letters because it was added just to confuse us, in an attempt to make us blasphemy and forget EL. When you use the word "God" which comes from the Babylonian word "Gad" you're also blaspheming EL. When you use the name "Lord God", you are calling Baal (Gad), and you're blaspheming. The misuse of Adonai is blasphemy, and when removing the vowels from his name יהוה Yahuwa (YHWH יהוה, replacing it with Yahweh or Jehovah), it is blasphemy; just because you forgot the ancient language Aramic (Hebrew). The name Jehovah is the European pronunciation of Yahuwa (YHWH) with vowels added. The name Jehovah should not be mistaken for the correct name EL Eloh, EL Yahuwa, EL. Jehovah is a result of the misinterpretation of the four Hebrew consonants (YHWH). You have a great number of American or Western world people who are converting to the ancient ways of life without having full knowledge of the ancient languages and mistranslate the name of EL, that is also blasphemy. How can you say you belong to a way of life without fully overstanding the language? You must really be out of your mind to convert and worship a deity in a religion you don't bother to research thoroughly, because you don't know the language. This makes you an IDLE worshipper.

You have men calling themselves Imaams, and Shaikhs, and Rabbis, and Kohen and many other titles without having the thorough training or linguistic qualities necessary to translate, but they're depending on Babylonian Latin, Greek, French and other European languages for their translations of the Scriptures, thus is misguiding people.

AMON-RA

In conclusion, the IDOLS you worship should be yourselves and your great ancestors who themselves were deities (Amon-Ra, Ptah, Mut, Isis, Hathor, etc.) just as we are deities who lost our divinity; and must become ELohim again. Wasting your time on movie stars, singers, etc. is IDLE worship; worshipping nothing.

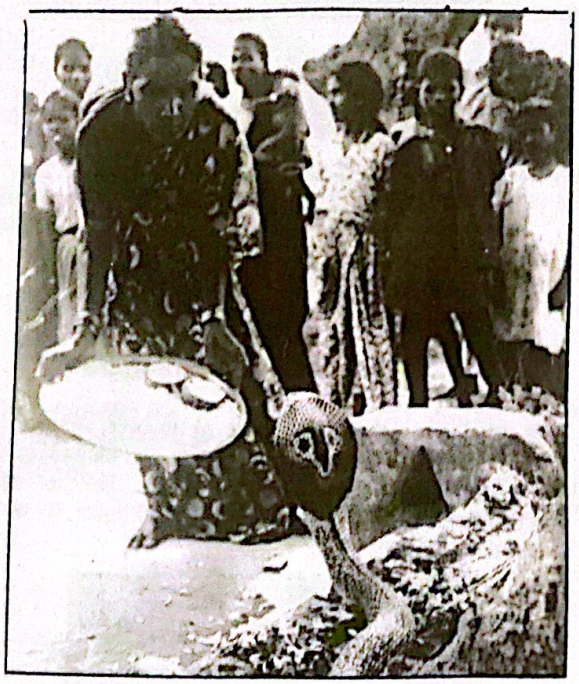
Snake Worshippers

Snake worshipping is like a form of religion to some people. People worship snakes like it's their deities or something. Now that's what you call "pathetic". One religion that worships snakes is Hinduism. Now remember that the Hindus were one of the first tribes that lived on earth along with Watusi and Pygmy. They were called "Symph", and were of the disagreeable (Angelic Beings). They moved down to a place called "Bali" in India where they worshipped and made images of us (Watusi and Pygmy). They worshipped Brahma, Krishna, and Shiva. When you say Brahma your saying Abraham. When you say Krishna your saying Christ or Mashiakh, and so on. These names represented us. We were in the state of Elohim when we became their gods, but then they became idol worshippers. When the Nephilim (fallen angels) left the land of Persia which is called "Nud", they went to Bali where the Hindus lived. The Hindus worshipped them because they (the Nephilim) were fire worshippers and had great powers. We lost the worship, because we lost contact with EL Yahuwa, and stopped knowing. We stopped knowing agreeable (good) from disagreeable (bad).

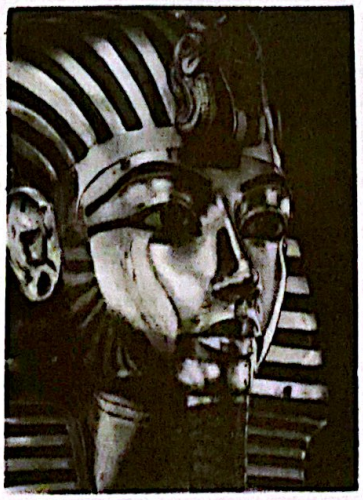


HONORING A DEADLY COBRA, A HINDU WOMEN TENDERS IT WITH RICE AND COCONUT

Hinduism is one of the religions that stood for years, and until this day people still practice this religion. Hindus treat animals with great respect. Many are vegetarians, because they believe that animals shouldn't be killed just to supply them with food. Snakes are not the only thing that the Hindus worship. They also worship other things such as, Shiva, Vishnu, and Rama. They say that Shiva venerated in hundreds of guises colored with legend and folk custom. Vishnu, they say is a beloved protector of the world, and has ten avatars or forms in which he decends to earth. Rama and Krishna are heroes of India's two great epics, the Ramayana and the Mahabharata. Snake practice is still a practice in Bangal, but uncommon in other parts of India today.

In Bangal the Hindus honor the snakes, they feed it with foods such as, rice and coconut. Snake dance is a ceremony that is held every two years by the Hindus and other tribes of India. The snake dance is the best known of the Indians ceremonies, and is mainly a ceremony for rain making. It starts about eight days before the public sees it. Much of the ceremony is done secretly. The dance and (pageantry) deals with the snakes, which are carried in the mouth, and after songs, special rites are carried out. The snakes are released at certain designated spots to go and return with the needed rain. This is followed by feasting and games by everyone in the tribe.

Now I want you to imagine a poisonous snake in some one's mouth. This is crazy, and I'm amazed that people are fascinated by these things. This is a way of committing suicide, because if the snake bites, the poison runs straight through the blood and kills the person. There are many bizarre practices that people all over the world follow today. One such thing is called "Serpent Handlers". Some people believe that the serpent is a symbol of the devil. That's not true. The serpent was not bad to us when we ruled ancient Mitsrayim (Egypt). It was a serpent of Aharown (Aaron) that consumed the serpent of the Pharaoh. Now why would Aharown (Aaron) use a wicked being to consume another serpent.



SNAKES INDICATING "MEDICINE" & "PURITY"

Back then all the Pharaohs of Mitsrayim (Egypt) wore the symbol of a serpent on the head, which symbolized "medicine" and "purity". Also until this day the Kundalini is being used as a sword with two serpents on it, that came out of Ancient Mitsrayim (Egypt) and that's who we are, the Mitsriy (Egyptians).

Scanned with CamScanner

However of course, people have distorted the meanings of the serpents. They used it in things like satanic worshipping and witch crafts, just to make people think that the serpent is a bad animal. Another thing they misused was the meaning of the serpent in the history (his-story) of Nekaybaw (Eve) and Zakar (Adam).

In Barashith (Genesis) it mentions that the serpent tricked Nekaybaw into eating the fruit off the tree, if she did, she would become just like (Angelic Beings). Now that's a lie! First of all, how can the serpent say all this if it doesn't have a larynx (voice box). It wasn't a serpent that was possessed and tricked Nekaybaw (Eve) into eating the bad food off the tree. It was an animal called the "Komodo Dragon". The Komodo dragon was Nekaybaw's pet , that was given to her as a present from Anat. It was possessed by Nakhas (the evil one) who tricked her.

Snake handling is a practice in which people actually handle poisonous snakes to prove their faith and obedience to their god. The question may be what type of "god" do they worship that seeks reverence by making its followers commit suicidal acts-willingly. They get "anointed" in order to handle the snakes. They also drink poisonous liquids and heal the sick. They say that anointed means, a warm feeling that envelopes the entire body, much like a type of possession. So they're saying that they have to get possessed in order to handle these deadly snakes. This anointing and deep infatuation sound like a description of a satanic cult and it's rituals to me.

These snake handlers are professionals to show people that if you have enough faith, you can fearlessly accomplish the goals of handling snakes with out being bitten. They also claim to heal people by putting their hands on them and calling on the power of the "lord". On the other hand suicide is a sin. Picking up deadly poisonous snakes that can kill is definitely suicidal. These people are crazy. They're doing this dangerous feat for the so-call glory of god, and they base their belief on a quote from the New Testament.

16 CHAPTERS OF THE TALE OF MARK 16:17-18

"AND THESE SIGNS SHALL FOLLOW THEM THAT BELIEVE; IN MY NAME SHALL THEY CAST OUT DEVILS; THEY SHALL TAKE UP SERPENTS; AND IF THEY DRINK ANY DEADLY THING, IT SHALL NOT HURT THEM; THEY SHALL LAY HANDS ON THE SICK, AND THEY SHALL RECOVER."

AN ANOINTMENT OF A SNAKE HANDLER

They have even gone as far as to involve woman and children (teenagers) in their suicidal acts, and they encourage others to join and begin to take up snakes. In other words they're telling others to commit suicide with them, by taking up poisonous snakes.

TERAPHIM

The word teraphim in Aramic (Hebrew) (תְּרָפִים), means healer from the root word raphah רָפָה, which means heal, physician, repair. Teraphims are objects or idols which were originally used as a remembrance of a person's ancestor or relative who passed away. They were made in the image of that relative or ancestor and kept as objects of good fortune for the family. Teraphims were not used as a form of idolatry, however they were referred to as "household idols". In ancient Mitsrayim (Egypt) teraphims were used as good luck charms for expectant mothers. The possession of these idols in the household, may have implied leadership of the family. (For example, a son-in-law could claim his deceased father-in-law's estate if he had possession of the household idols. However in Rakhel's (Rachel) case, she stole her fathers (Laban) idols as an insurance that her husband Ya'aqob (Jacob) would receive all that Laban owed him in property. Laban called them his deities, he respected them and they appeared as part of the furniture which he provided for what was called ("his house of deities").

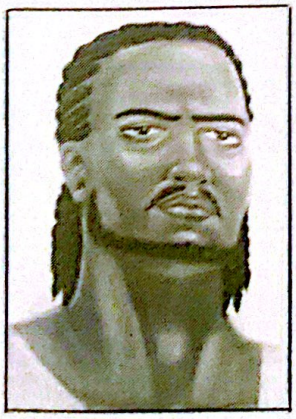
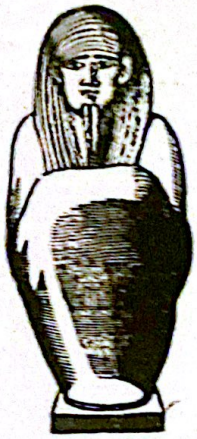
"AND LABAN WENT TO SHEAR HIS SHEEP: AND RACHEL HAD STOLEN THE IMAGES THAT WERE HER FATHER'S."



LABAN SON OF BETHEL

The family of Abraham, son of Terakh (Terah), also used these teraphims. They believed that it gave the house good luck, and it would carry out the evil.

There are different types and sizes of teraphims. The Mitsriy (Egyptian), and the Yisrealiy (Israelite) teraphims are shaped as the upper part of a half human body.



EGYPTIAN TERAPHIM

As time passed, people have distorted the meanings of the teraphims. They turned it into idol worshipping. They would make teraphims of people or things, and actually worship them. They would bow down on their knees and pray to the "dead".

Nowadays, the teraphims are called "Talismans" Teraphims and talismans are two different things, however they still serve similar purposes. The difference between the two is that teraphims were only shaped in human forms. Talismans are a derivative or variation, of teraphims coming in human and other forms, all shapes and sizes. They are rings, necklaces, earrings, engraved and sculptured stones, inscribed pieces of parchment and paper worn on the person or hung up in the houses, to which magic properties were attributed. The Moslems and Christians use these inscribed pieces of parchment and paper, they either hang it up on their walls or wear it around their necks. We (the Nubian Nation) also have a talisman (parchment), which is called the "Mezuzah". The Mezuzah is a small wooden, glass, or metal case tube containing a rolled rectangular piece which is placed on the outside of the door post. It is used as a protection against evil.

JEWELRY TALISMANS

Sometimes, talismans might be a living animal, like blackcats, snakes, lizards, and chameleon. These animals have a reputation for bringing good luck.

Precious stones have been regarded as natural talismans by people too. Their hardness and density show that they were formed by extremely powerful forces of affinity (attraction) and cohesion (bond). The crystal is a stone that most people adore. They are used as talismans, and supposedly have healing powers. According to the Christians there is a special healing potential for every precious stone. They say that the emerald worn on a person strengthens the memory and dispels demonical illusions. Rubies and carbuncles maintain the body in good health and preserve it from plaque and poison. The sapphire is known to produce peacefulness, amiability, and piety. Talismans are used as charms against evil preserving from enchantment or from accident; they are also buried with a hidden treasure to protect it.

Teraphims have come a long way from their original forms. However, you still see forms of them in statues of presidents and people admired by others today. Now due to modern day technology you have pictures of past respected relatives instead of statues, which serves the same purpose as its origin.

Snake Worshippers

Snake Worshippers have stood for years, and people are still joining them. People have gotten injured and killed from handling these poisonous snakes. Don't you see this is the devil pulling you into worshipping things like this. This is insane, but if you want to continue worshipping dangerous things, just don't forget, (it's on your soul).

666 - mark of the beast

(continued from page16)

When I disclosed the truth that on June 6, 1966, a man with the number 666 was born, no one believed me, as usual until you hear it from your master's (the albino seed) mouth. Now, every major denomination such as the Seventh Day Adventists, and the Pentecostals are preaching and teaching this same truth.

The number 666 is synonymous with evil and has always represented the Evil one. Everywhere you turn, through the media, the music, movies and even the clothes you wear, he's subliminally seducing you out of existence. This is no joke, Haylal (Sama'EL) has cunningly blended his mark into your everyday lives, seducing you into worshipping his beastly image.

End this hypnotic spell of spiritual ignorance. Accept Right Knowledge. Right Knowledge is knowing and accepting none other than facts (not beliefs). Regain your rightful place in the universe, as ELohim (Angelic Beings) again.
